## REPORT

**Title of the Activity:** TREE PLANTATION

**Date:** 23/8/2017

**Venue:** Darave Gaon

**Objective:** Planting samplings in adopted area

To promote our Ecological balance of nature NSS UNIT of our college took a great initiative to plant trees on 23/8/2017 in our adopted village **Darave Gaon** with the help of **RANJEET NAIK** a local leader of that area. First of all our volunteers cleaned the uncleaned ground and places and then they planted the saplings there. The volunteers reported the site on time with sapling. A total of about 50 saplings were planted in the adopted village which were further watered by the volunteers. The volunteers planted the saplings along with teachers and the principal who himself came for the plantation. The local people seeing this clapped for the students and thanked them for taking such a great initiative.

**Feedback:** Residents of the area appreciated the students for taking such a great initiative.

**Outcome:** The students and the teachers have learned about avoiding plastic and saving the water and tree plantation.

**Participation:** There were 65 volunteers along with NSS PO and committee members who participated in this programme.
