Report

Workshop on Gender Sensitization

Date – 17th July 2018

No of participant -: 57

On 17th July 2018 the women development cell has conducted workshop for third year students. An NGO named Chetna foundation was approached to conduct the workshops regarding gender sensitization. Ms. Kavita Bhatia the founder of Chetna foundation visited the campus with her team to conduct the session. The third year students attended the workshop where in sessions were conducted for girls.

About Chetana Foundation

Chetana Foundation was incepted in April 2003 with the vision of a society where mental health is a priority concern. Chetana Foundation's mission is to demystify mental health and promote preventive measures for upkeep of mental well being of children in particular and society at large.

Team Chetana firmly believes that if we work towards the mental well being of children in particular and of the support groups of parents and teachers, then this work will lead to better adjusted individuals and a healthier society.

• Outcome of the Program:-

Consistent intervention to help students **ventilate feelings** and undergo behavioral modification. Many of these students develop coping mechanisms which could be unhealthy for their mental and emotional development. **Awareness regarding Gender roles, responsibilities and its impact on the mental well being**

It was intended to introduce and evaluate new interventions to equip students with Life Skills and build on their communication skills to enhance their overall personality.

Objectives:

- 1. To provide group therapy to aid ventilation and hence provide relief from different stress creating life situations.**
- 2. To provide training on Gender sensitization and manage stress resulting from Gender stereotyping in society.**

Feedback :

Session on gender awareness was conducted for girls students. Various activities were conducted throughout the workshop for which students responded and participate enthusiastically .
