

### Students Initiated Events

Student of 2016-17 batch initiated an intercollegiate activity known as FORZA each year in second term of the academic year. The activity is planned, executed and funded by the students under the guidance of the college teachers. And Youth Short Film Festival (YSSF), an intercollegiate short film competition is also self funded and managed by the students in first term. The students interested can play various roles in both the activities like core team member, volunteer, innovator, artist, sponsorer etc.
